About Us

A community center at the heart of the Dryden community! Volunteers created this café with support from people like you in our community so that our friends and neighbors have a place to gather, get to know one another, and learn about things going on in our town. We are a non-profit venture with a goal of supporting not only this community center, but other non-profits & groups in our community. Would you like to teach a class, have a place for your monthly meeting or start a discussion group? Local musicians are welcome & our events committee is always looking for people to grace our stage. Artists of all ages are offered a place to showcase their work on our gallery wall. Look around and offer a smile (and perhaps a small dose of patience) to our staff of dedicated, hard-working volunteers making your sandwich, baking your treats from their own recipes, and sweeping our floors. We are always looking for ideas on how we can best serve our community. Let us know what you would like to see.
